MAYLED YOUTH

WHO WE ARE

MAXLED YOUTH

Maxled Youth is a Queens-based after-school program using skateboarding to teach life skills to young people in underserved communities. Founded by Max Suarez, a certified NYC Department of Education vendor, the program focuses on building confidence, focus, and resilience through movement and mentorship.

We specialize in working with students with autism, anxiety, and developmental differences, providing patient, individualized support in a skateboarding environment.

WHY SPONSOR

01 REACH THE QUEENS COMMUNITY

Direct access to Queens families, youth, and the broader NYC skateboarding scene at an iconic park in the heart of the borough.

02 ALIGN WITH INCLUSION AND YOUTH

Maxled Youth serves kids with special needs, underserved communities, and all skill levels. Your brand stands for something real.

03 AUTHENTIC SKATE CULTURE

This is grassroots. Not a corporate event. Sponsoring Maxled Youth puts your brand in front of skaters who can spot the difference.

04 VISIBLE, TANGIBLE IMPACT

Logo placement on event materials and social media. Prizes, giveaways, and direct product in athletes' hands.

SPONSORING THIS EVENT IS AN INVESTMENT IN QUEENS YOUTH, NOT JUST A LOGO PLACEMENT.
